Niggas, get your milla genuine draft, 'cause it's milla time

We about to go hard on these hoes on this one right here

Can you control your hoe?  
(You got a bitch that won't do what you say)  
You can't control your hoe?  
(She hardheaded, she just won't obey)  
Can you control your hoe?  
(You've got to know what to do, and what to say)

Listen, you've got to put that bitch in her place  
Even if it's slapping her in her face  
You got to control your hoe  
Can you control your hoe?

I went to your house, your girl came in and started cussing you out  
You should have slapped her in her face, I wanted to tell you  
But it wasn't my place, I kept it on the low, 'cause I know you  
Was gonna check that hoe, but instead, you was quiet as a mouse  
Maybe you started to think it wasn't your house

'Cause she was acting like a nut, you got a kind of bitch  
That would kick your butt, what kind of pimp holds back?  
Never met a bitch that a pimp can't slap, what's wrong with the pimpin'?  
Why you get a whippin'? All I got to say is this

Can you control your hoe?  
(You got a bitch that won't do what you say)  
You can't control your hoe?  
(She hardheaded, she just won't obey)  
Can you control your hoe?  
(You've got to know what to do, and what to say)

Listen, you've got to put that bitch in her place

Even if it's slapping her in her face  
You got to control your hoe  
Can you control your hoe?

This is what you made me do, I really didn't want to put  
hands on you  
But bitch you playin' with fire, I'm so sick and tired  
Of loud mouth bitches like you, a nigga had to go and  
put tips on you  
'Cause bitch you playin' with fire, I'm so sick and tired

This is what you forced me to do, I really didn't want to  
put hands on you  
But bitch you playin' with fire, I'm so sick and tired  
Of loud mouth bitches like you, a nigga had to go and  
put tips on you  
Bitch you playin' with fire, I'm so sick and tired

Can you control your hoe?  
(You got a bitch that won't do what you say)  
You can't control your hoe?  
(She hardheaded, she just won't obey)  
Can you control your hoe?  
(You've got to know what to do, and what to say)

Listen, you've got to put that bitch in her place  
Even if it's slapping her in her face  
You got to control your hoe
