Narcotic this window meth merchant  
Shippin' and handlin' your life supply  
Time to get up and wipe the eye boogers out my eye  
What y'all tryna buy pimpin', y'know it's kinda dry  
Yeah, I only gotta couple of pies left  
That'll last me through the year

Doula, ice cream candy  
Man, that shit be comin' in handy  
It's real walkie talkie  
I got that from the DB's, my cousin, work dirty

If you want 'em, I got 'em, you up to cop it  
You better be about your grit  
Devour any cowards, sours slippery at the lip  
Beast up, suck up to none, don't be no sucker  
Be a block monster, be a reputable motherfucker

Real mash with my Spanish  
If ain't about no gouda, partner, you can vanish  
Don't get put up in your place  
Give me 40 feet and an ounce of space

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

Now-A-Later's, Gum Drops, Jelly Beans  
Lollipops and triple beams  
Blue Carpet, yeah, that's Tha Treatment  
Candy so sweet, got everybody eatin' it

Bigg Snoop Dogg, I'm the star of this  
So go on and get yourself a bar of this  
No change, man, gimme the bucks  
The kinda candy I sell, they call it 'Deez Nutz'

I'm almond with the caramel insides  
You appear frontin' with the French fries  
How it feel, man? What it look like?  
I'm in your neighborhood, pullin' on some Bud Light

Sweet and sticky, take it out the wrapper  
Now put it in your mouth  
To the beat of the drum, it'll be fun  
And I bet you can't just eat one, candy

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

I'm in the hood with the six-trey candy paint  
Lil' somethin' to chunk, make the hoes all faint  
If you know when to beep, jump my baby rate  
When I grip round her butt, I hold her steady

Yeah, she my one and only  
Quick to keep back haters who don't know me  
I feel good about candy  
My gangstas understand me

Shake it, baby, don't break it baby  
Now can you make it clap?  
Tryna fit this work in your gap  
Drop it like it water pagoda, get my hustle on  
I get it from you, then I step on it to bubble on

It's gettin' sweeter than a sugar cane  
Here come that sugar daddy, black, rollin' on gold  
thangs  
Fo'shigiddy, he turned it into somethin', boy

'Cause I can't leave this filthy game without my Almond  
Joy

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

It's like candy, candy

Get it how you want it  
Whip it, twist it, pop your whip up on the corner  
While I, tadaa, check out this bizarre  
The D A T, the N I double G, the D A Z

Again, it's up in the wind, feel the breeze for shit  
Goddamn, you already know who I am  
Chrome on chrome, blue on blue, frost colors switches  
Hit the gas, hit the brake, y'all really burn rubber?

Dip, drop, drop, dip  
Stop, dip, ghost ride the whip  
Yeah, nigga, shot caller  
It's America's number one baller

Man, I don't give a fuck like, "Fuck it"  
High riders, slide in the bucket  
Little momma all up on a nigga like a coat  
I got the perfect thang that'll coat her throat

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water  
You want 'em? I got 'em drippin' like water

Three thousand motherfuckin' pieces, you understand  
me?  
I wish a motherfucker would come in this motherfucker  
If I see Suge right now, I'd tell him, "Hey, how you

doin', Suge?"  
I didn't even know you were standin' there, nigga, my  
bad
