i want a good life, i guess ..choose brother gangsta  
i want it all, i choose to ball  
i guess all brothers are choosing gangsta.

choose, choose, choose, choose

dark blue ... but a soft never .. these are blue diamonds  
...how my gangsta is riding,  
up and down the seventeen and i'm all my assignment  
i stack around the city, pocket is never empty,  
getting money as a gangsta i didn't make plenty  
i chose the ... you feel me, i rocked everywhere ..  
so you gotta real feel me j, gangsta life from the  
streets to the industry  
look at you, look at me, could it be with no ...  
yeah, and i'm in the game and i'm winning.. blue..limit  
see i'm a gangsta everything is on these women  
when get used this life keep it real don't pretend.

chorus:

i choose money inside .., models sticking in the ...  
i chose this life, i chose this road  
the money is right, the fortune ..  
so i guess i'm just a gangsta, i guess i chose that  
gangsta life.

i got my j.. pack, in the studio tracking like a ..  
money ..smoking with my .. and when i read up i need a  
whole sack  
yeah the gangsta life better play the wind,  
chocolate chick, white .. all blue .. gangsta never die,  
keep it ..  
don't make me ... all again  
i was a gangsta before i get high spoon , i will hustle  
never worked hard ..  
i never struggle, all this bubble this is all true, i stole ...  
if you was me, you probably be a gangsta too

i chose the money, diamonds, rings and design shoes,  
i'ma gangsta, my life ..improve  
and everything i talk about is what a gangsta do.

chorus:

i choose money inside .., models sticking never ..,  
i chose this life, i chose this road  
the money is right, the fortune stole  
so i guess i'm just a gangsta, i guess i chose the  
gangsta life.

i want a good life, good life  
could ..good life ..brother gangsta  
i want it all, i choose it all  
i guess my brother choosing gangsta

i'ma keep it gangsta today, i keep it tomorrow  
.. 'cause i'll be hustle ..i make some little of this with a  
little of that  
will be rock it in the .. watch it ..yep  
i'm good ..i got a car and a wife and plus a beautiful  
home  
i go after the money, i just fall in my zone  
guess this ...trip..  
lone beats to the city, it's my city i'm crown,  
..ocean grease .. you hear me beatin' ..gangs at sound  
they gonna feel ...every gangsta stand in the ground..  
snoop dog is the west ...  
look at you, now look at me now  
big money, big cars, how we're living for now  
like gangstas homie this is my life style.

[chorus:]

i guess i chose the gangsta life  
choose, choose, choose.
