I wanna see you working baby, you're my dirty dancer
You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer
You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer

That's my dirty girl, she do her dirty dance
She get dirty money, for her dirty man
She give me everything, she take her dirty chance
She say I'm something new, not like her other man
Well let me do the thinking, this what I recommend
My nigger money talk that's what she comprehend
Say that sad story, you hear them violins?
And for a tall glass of Landy, here it is
She living in my lap, just like the two for one
See that's the fact, couple of stacks, she gonna leave
with one
Shoot that weak gang, like a bb gun
And watch her do her thang, oh she gonna get it done
This girl body up the game, she a home run
She my dirty dancer, I owe her one
System overload, brain overdone, it's Big Snoop Dogg,
Gonna sing it Trey songs

You know money in the thang, all the way you're
working in
Just so mean, cause I let away and take it in
Tell me are you ready? What's your answer darling?
Cause you're my private dancer
I cash out, show me what you're working with
Back it up, drop it round for me
From the club to the crib, you could be my private
dancer
You're my private dancer

You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer
You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer

I could a lot of ? when I'm running, running, running to
...when I'm running, running, running to

I could do the lot up, ?
I could do the ? nothing like you
?

You know money in the thang, all the way you're
working in
Just so mean, cause I let away and take it in
Tell me are you ready? What's your answer darling?

Cause you're my private dancer
I cash out, show me what you're working with
Back it up, drop it round for me
From the club to the crib, you could be my private
dancer
You're my private dancer

You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer
You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer

She my dirty dancer, this her favorite song
And when she at the house, when she all alone
She in the mirror dancing nasty with no panties on
I see you girl, fantasizing about the scenting tone
Can't wait to put your heels, as the leathers on
I know you're ready show the world what you really ?
Dancing like that, you might need a license
So ?, dancing while she setting prices
Damn, as dangerous but ?, do it right, go big and you
get super rich
With that fat ass and them super hips
Slow motion mammy, we know you the shit
It's a dirty world so be a dirty chick
And now do them other girls just about chips
Let it take control and make it make sense
Money ain't a thang, you're my dirty chick

You know money in the thang, all the way you're
working in
Just so mean, cause I let away and take it in
Tell me are you ready? What's your answer darling?
Cause you're my private dancer
I cash out, show me what you're working with
Back it up, drop it round for me
From the club to the crib, you could be my private
dancer
You're my private dancer

You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer

You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer
I wanna see you work it baby
You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer
You're my dirty dancer, you're my dirty dancer, you're
my dirty dancer.
