[Snoop Talking]

What's up baby can I get with you?

Its called dogs get lonely 2

Bow-wow

[Chorus]

I dont give a damn, what your homies say

You don't stay on me, your always out to play

Your so hard to find, seems your shaking me

D.O.G.'s we get lonely

[Snoop]

Look here babygirl D.O.G.'s we get lonely

You can ask all my homies, all D.P.G. got tenderoni's

Now when we on the road trying to get this paper

and phone call away is what you say

But some times you got to find time to get up

to get out and get away You feel me

Now all I want to do is stay real and stay true

I'm trying to have a little something, and keep you
satisfied, but

[when] my homeboys say its time to ride then I'm a ride

See I'm a gangsta I'm a always be a gangsta you cant
change me

Dispite at night I might get lonely ya heard me come
and serve me

I'd love to take you to the mall

buy you a little somthing go to the movies too

If thats what you want to do, thats what you trying to do

thats what we going to do

Now I'm a put you on a back burner

cause I got to get this cheese with my crew

But baby momma full of drama aint that right

D.A.Z. dog's get lonely too

Now you knew the dog was dangerous and you took it

You got good loving

You hook me up a good meal

but you still couldnt hook me

Let me stop lying, I'm trying to be too cool, I shaking
the real

All my homies do y'all know D.O.G.'s can get lonely too

thats real

[Chorus] x2

[Snoop Talking]

Yo yo check this out baby

Im not even going to rap on this one

I'm not I'm not much of a rapper at all

But check this out I'm a put this P.I. down to you real
small

I mean I got to get this money I'm out here hanging
with my homeboys

We do what we do we been doing this

before I even met you you know what I'm saying

Times get hard my homies gone be there I know you
there for me

I know you want to do those things that

that a women supposed to do for a nigga like me

I mean when I get lonely I'm a holler at you

You gone be there for me

Thats real

[Chorus]x2
