*[Snoop Talking]*

What's up baby can I get with you?  
Its called dogs get lonely 2  
Bow-wow

*[Chorus]*

I dont give a damn, what your homies say  
You don't stay on me, your always out to play  
Your so hard to find, seems your shaking me  
D.O.G.'s we get lonely

*[Snoop]*

Look here babygirl D.O.G.'s we get lonely  
You can ask all my homies, all D.P.G. got tenderoni's  
Now when we on the road trying to get this paper  
and phone call away is what you say  
But some times you got to find time to get up  
to get out and get away You feel me  
Now all I want to do is stay real and stay true  
I'm trying to have a little something, and keep you  
satisfied, but  
(when) my homeboys say its time to ride then I'm a ride  
See I'm a gangsta I'm a always be a gangsta you cant  
change me  
Dispite at night I might get lonely ya heard me come  
and serve me  
I'd love to take you to the mall  
buy you a little somthing go to the movies too  
If thats what you want to do, thats what you trying to do  
thats what we going to do  
Now I'm a put you on a back burner  
cause I got to get this cheese with my crew  
But baby momma full of drama aint that right  
D.A.Z. dog's get lonely too  
Now you knew the dog was dangerous and you took it  
You got good loving  
You hook me up a good meal  
but you still couldnt hook me  
Let me stop lying, I'm trying to be too cool, I shaking  
the real  
All my homies do y'all know D.O.G.'s can get lonely too  
thats real

*[Chorus x2]*

*[Snoop Talking]*

Yo yo check this out baby

Im not even going to rap on this one

I'm not I'm not much of a rapper at all

But check this out I'm a put this P.I. down to you real  
small

I mean I got to get this money I'm out here hanging  
with my homeboys

We do what we do we been doing this

before I even met you you know what I'm saying

Times get hard my homies gone be there I know you  
there for me

I know you want to do those things that

that a women supposed to do for a nigga like me

I mean when I get lonely I'm a holler at you

You gone be there for me

Thats real

*[Chorus x2]*
