Is this thing on?

Yeah!

No, mhm1

Now I'm came out the club and now I'm just breaking
the bud

I'm checking taking the chance with the Executive
Branch

Now I'm making them dance, people blunting my hand
in two packs of my pain

You know the green of above, and the strength of the
leaf

I'm the Indian chief

They call me Bossanova, Eva Kaneva

So tiva briva

Imperial, brought to your life ain't scary all

One come test me now

I'm movin while I'm groovin floating on the sound cloud

Girls wanna kiss us boom, we got our own

We ain't f*ckin with them switches

So passes slow is the big puff slow for my retch you
flow

Catch you dough, can't scratch it dough

Is the original fantastic coe

Ask your flow with the white great interia

Taste so good the gentlemen's choice choice for sure

The white great cigarilla

Deal low in the middle

Never... I'm inside my hood

Smoke one this for the good times

We gonna blow forever more

So let the girls on the floor

They just left the larger

They heard we in the honey gone

Now they want the money grow yeah

It's a party y'all, everybody in here

Done that did that been here

Hell yeah, fired up

And don't let it go when take you wide up

We ain't f*cking with no powder puff

No back was feeling any other
Exactly range mother f*cker
The one and only from the homie
Ass in double O
One for the money, two for the show
Three to get ready
Now let's blow
Executive Branch Branch Branch Branch
To smoking it, what you're smoking it
Executive Branch Branch Branch Branch
It's so good, let's blow blow blow
For the good times
Brought to you by
Big Snoop deal double G
And the maker of Executive Branch
Is gentlemen's choice
