(Wa-wa-wa-warning, warning, warning, this is a warning)

I'm cool, and I'm hot.

Temperatures rising, oh no

So baby, get ready to turn up the heat

I see that look in your eyes, and

I know exactly what you wanted from me. Oh oh

Imma need you to burn it out.

Imma need you to host me down.

(Oooh this is a warning ooh...)

Refrain:

I'm flammable

Straight connection, watch me heatet up

Like my fuels don't ever get enough

I'm flammable

I'm the fuels and you're the fire

(Warning, warning, I'm flammable, this is a warning)

It's like a chain reaction, and I,

I take away your air suplice

... tonight

Put your hands round me and watch me at night. yeah
