Brand new Snoop Dogg Nate Dogg word g

Chorus: (Nate Dogg)

Ridin' in my car

And im listening to the radio

Im listening to a sad girl sing

Sang about how she got her heart broke

People reachin' for stars

I just won't be somethin' that you wrote

When you're alone it gets mighty cold

Don't act as if you did not know

She let me play with her heart

Im working late

I said i'd soon be home

All the while the girl was home alone

Let me tell you what she cryin' for

(why) Cause im fly yeah you super fly Nate dogg

ooooowwwaaooooo Im fly yeah

(yeah you super fly but me im super duper and im  
super duper fly)

(Snoop Dogg)

I'll be the great at this

I know you waited this

And I wanted this

To be alaberate and so stringuis

Then you just slide by

And we say you want another kiswa

Is that the way you gone for his eeh?

I know you feelin' all hurt inside

But won't you talk to a playa

Let me help out your pride

So what, the ladies wink  
You the one in mercedes, shot gun with the thang  
Cold chiller watchin' the lion king  
Cryin' and thangs

At everythang that be hatin' my fame  
So stregulatin been lacin' the game  
Ain't no mistake in the game  
To one mother f-in thrizzle  
Shippin on the sizzle  
And thats for shizzle
