I got my gang with me,
Niggas always talkin shit
We knock you niggas tipsy
Fuck yo crew, fuck yo bitch

I be on the job like hustle hard
Like getting money, going hard in the pay
Fuck a ho, donÂ't love em though
DonÂ't think youÂ're special bitch, no you ainÂ't
Super fly, back in this motherfucker, I keep a low profile
I keep it G, donÂ't hang with suckas
Cause suckas crank crank my style
I stay on on, get it on
Super say junk bitch, ribbit, gone
IÂ'm so high, IÂ'm in the parachute
Bitch ass nigga, how square is you?
IÂ'm on top, nigga where is you?
Never mind, waste of time
Ho ass niggas gotta wait in line
Too many niggas wanna hate on mine
So IÂ'm givin yaÂ'll niggas problems
Like something in math class
Niggas wanna have so much money
CanÂ't help that my plan set
CanÂ't help that my crew still poppin
CanÂ't help that your bitch keep knockin
Bitch all on my jock like polo
I tell the bitch keep on walkin

Sit back and watch and follow
IÂ'm a legend, slicky hallo
So watch who you fuckin with
DonÂ't get your pumpkin split

I got my gang with me,
Niggas always talkin shit
We knock you niggas tipsy
Fuck yo crew, fuck yo bitch

Fuck yo crew, fuck yo bitch
Fuck yo crew, fuck yo bitch
Niggas wanna act up, tough and shit
Not knowing who yaÂ'll fucking with
Not knowing who yaÂ'll fucking with

Where are you from?
IÂ'm from dog pound, gangsta crib
Get get it get it through
Sometimes IÂ'm a goddamn fool
Motherfuckers always when I hop in
But all niggas, we not that cool
Not finna be, dealin with ho cag
Ass niggas ainÂ't no riders
Closed mouth, get a roll of tape
Real niggas move in silence
IÂ'm not worried bout haters cuz I love the malice

Middle finger muck, nigga might fuck you
And all them niggas you be with
