Yo word up this is big Snoop Dogg
Hangin out with my nephew Usher one time.
A yo Usher I'm bout to hola at this little freak right here
cause a
She keeps looking at me like she wanna do it with me
ha ha
But u no me I love to do it,
Ain't nothing to it but to do it.

I'm hola at her real quick
And then you do the hook
And then we do it together,
Something like this tres

Kiss u, hug u, squeeze u, love u,
touch u up, u make u love me
Can u do that for me?
Put that hot loving on me
Get real! Let's chillâ€;!
We can do whatever want
It's all on u its how u feel
I been watchin u not like stalkin u
Cause I've been seeing you pass
I ain't said too much to u but that doesn't mean I don't
want that ass
I'm saying no time for playing
Cause if we get together I am telling u u never ever had
Yeah Ur bad I've gotta get u to the pad,
Rub Ur neck, caress Ur chest, kiss Ur ears and make u
laugh
Grab the camera; take some pictures as we poses
I just bought u a dozen roses

I've 2000 roses and card that says baby I can't wait to
see you later
We made dinner reservations at no room is the charge
You just pick the location
Now were sitting at the table
Sippin the finest wine,
Havin a damn good time
I know what's on Ur mind,

I want u, u want me too,
Stop friend I know exactly what u want

You wanna do it to me,
I wanna feel u touch my body baby, body baby,
Do it to me I guarantee u won't regret it,
Let me said it I like you've never had,
Do it to me I want u to grab me so tell me how u like it
When u want it when Ur all upon it boo
Do it to me I wanna give it to u
I'm gonna make this a night to remember

Caviar and Cadillac's,
Rubbin oils on ya back,
Making ya feel like Ur bout to catch a heart attack,
D-O-Double gizzle dissle girl this thing is off the hissle,
Have a slice get nice go cut urself a little
Don't it make u feel good, Cause I does it real good
Take u out in the 6 deuce
Cause u no I'm all good,
I'll love then and rub ya cat,
Ya know if u kiss me girl then I'll kiss u back,
I'll baby write ya, bary bite ya?
I'll just met u barely like ya
I just wanna please and like (arrrh) dynamite ya
If u give it to me then I'll give it too you,
If u do it to me then I'll do it to u

Do it to me,
I wanna feel u touch my body baby, body baby,
Do it to me I guarantee u won't regret it,
Let me said it you'll get it how you've never had,
Do it to me I want u to grab me so tell me how u like it
When u want it, when Ur all upon it boo
Do it to me I wanna give it to u
I'm gonna make this a night to remember

Were gonna make this a night to remember,
For all the ladies out there u no wots up
Snoop dogg and usher, do it to me and I'll do it to u.
