Featuring: The Dream

Radio Killa, Big Snoop D-O dub  
The American Dream

Hey yo nephew, why don't ya come up off them keys?  
Sing a lil' somethin' for the ladies  
You know what I'm talkin' 'bout?  
Let 'em know how we feelin' right now

Every time I come around, shawty love me down  
Run up on me like click clack, my gun out like take that  
She make you do what I do when we doin' what we  
doin' in back of the 'Lac  
I'm like come up off of that

And every night her body gets jacked  
That gangsta, gang-gangsta  
That gangsta, gang-gangsta  
Gangsta, gang-gangsta  
That gangsta love

Yeah, she love it the way I put it on her  
Blowin' trees, summer breeze, sippin' Corona  
Lost Dogg, I give it to her right and she like it  
She on the hip like a sidekick, izzy

One of the coolest of fool on the flow  
I whispered in her ear, come here you ready to go?  
I rolled up a winna and put it up in the air  
Got that lil' dress on, you comin' up outta there, yeah

She like that, you like that?  
You say you bite, well, I bite back  
And I'm all go, we can do it 'til tomorrow  
I beat it up like Harpo

Snoopy, I go hard, baby, yes  
Kissin' on yo' chest then I'm diggin' out your stress  
I won't stop 'til yo' finished  
You never felt love 'til a gangsta get up in it, Dream

Every time I come around, shawty love me down  
Run up on me like click clack, my gun out like take that  
She make you do what I do when we doin' what we  
doin' in back of the 'Lac  
I'm like come up off of that

And every night her body gets jacked  
That gangsta, gang-gangsta  
That gangsta, gang-gangsta  
Gangsta, gang-gangsta  
That gangsta love

She always call in the middle of the night  
'Cause I'm a dog, I'ma give her what she like  
She say my name loud, I say her name low  
That's what I aim fo', that's how the game go  
Baby like the way I wake her up  
'Cause I'm a gangsta, I grab her by the butt  
Pull her to my side, I'm in deep  
Woke that ass up just to put her to sleep

Everyday is the same thang, I creep in  
It's like true blood, I sink my teeth in  
I gotta have it, the LB raised me  
We was taught to dig 'em down crazy

Lights out, I'm so lit  
Mama's so gone, daddy won't quit  
I won't stop 'til you're finished  
You never felt love 'til a gangsta get up in it, Dream

Every time I come around, shawty love me down  
Run up on me like click clack, my gun out like take that  
She make you do what I do when we doin' what we  
doin' in back of the 'Lac  
I'm like come up off of that

And every night her body gets jacked  
That gangsta, gang-gangsta  
That gangsta, gang-gangsta  
Gangsta, gang-gangsta  
That gangsta love

It's the life that you chose  
The loop, the coop, the rows  
Anything goes  
It's so good got her wigglin' her toes

The boss, The-Dream  
The floss, the cream  
The trips overseas

All these things really don't mean a thing

When I'm tearin' that ass up, workin' you like a shift  
I give it to you like a gift  
You hear what that boy say? You wouldn't jack, give it  
up fast  
Then I hit it from the back

Snoopy you're so good, she screamin' and I like that  
girl  
She off in another world  
I won't stop 'til you're finished  
She love this gangsta especially when I'm in it, Dream

Every time I come around, shawty love me down  
Run up on me like click clack, my gun out like take that  
She make you do what I do when we doin' what we  
doin' in back of the 'Lac  
I'm like come up off of that

And every night her body gets jacked  
That gangsta, gang-gangsta  
That gangsta, gang-gangsta  
Gangsta, gang-gangsta  
That gangsta love

Gangsta, gang, gangsta  
That gangsta, gang, gangsta  
Gangsta, gang, gangsta  
That gangsta love
