Chorus:

If weren't high on dough Would u love me? (would u love me baby)

If We didnt Have a place to go would u still be there? (would u still be there)

Would u leave me alone if the chips were down?( if the chips are down)

Would u stay around?(saty around)

And be down

i gotta have a chick like u (i gotta gotta gotta i like dis part)

i gotta have a gurl like u

i gotta have a chick like u (u u u u)

i gotta have a gurl like u

Nelly:

Hey yo unc who dat gurl standing there like dat

Lookin from the front but I can see whats in da back

Hips like O

Thighs like O

Pretty toes in a row they lookin like oo

Snoop:

I dont know nehew

Lets do what we do

Slide up on these hoes and put this pimpin to use(agreed)

Then what what we do (what we do)

you take the one in the white Ill take the one in the blue

Chorus

Snoop:

I dont know if u been told but u look like u should be gold

Your so precious the way u shape up

Im just here to help u step your game up

Nelly:

You look like a dime right from here

You can hop in front of the bullet and die for me  
'cos you can fly, you be fly, you can fly with me  
And when I fly to other countries  
You can fly with me.

Chorus:

Snoop:

Now as the night winds down and the weed gets low  
Players still playin an' im still on the flow  
I grove to the beat till my feet get tired  
I just want to be your desire  
Eva keneva best believer, You not a dime peice you a  
diva  
Take it from me you can be the  
O-N-E if you roll with me

Nelly:

Now if looks was a case baby gurl wud be federal  
The top half incredible, bottom half edible  
I aint tellin' you what i heard man im tellin you what i  
know  
An i aint tellin her where to stay an where to go  
An if she want we can take a trip down with the hommie  
D-O- double G  
An he from Longbeach, Im from a little town an its low  
key  
Guess who where tha crown.

Chorus:

Nelly:

Clap your hands ecerybody, Everybody clap your  
hands  
If you came to party with tha D-O double G an tha N-E  
double L-Y fan (BOUNCE)  
Clap your hands everybody, Everybody clap your  
hands  
If you came to party with tha D-O double G an tha N-E  
double L-Y fan (BOUNCE)
