Yea

I like it when you bitches get gorilla

Oh man

I woke up early this morning, with a bed full of bitches

You know the night before I had em goin gorilla

Had this little vanilla, you know she rollin it nigga

You know she wanted to sprout, so go blaze up a swisha

She had the urge to try, super found some liquor

I told er nasty, she knew I wanted my dick up

So she introduced me to her best friend's sister

I said how ya doin, my name Daz Dillie

And started takin straight shots, to get her fucked up quicker

So I knew from the jump in I be jumpin up in er

I was beatin it up, face down, ass up

Because that's the way the real nigga like to fuck

So I took er bout that pussy, started rockin the crowd

Row full of bad bitches, they all goin wild

They already know I'mma style, goin all for that loud

Light em up guaranteed, I be knockin er down

I got er goin gorillas, goin gorillas

Goin goin gorillas, goin goin gorillas

Goin gorillas, goin gorillas

Goin goin gorillas, goin goin gorillas

Goin gorillas, goin gorillas

Goin goin gorillas, goin goin gorillas

Goin gorillas, goin gorillas

Goin goin gorillas, goin goin gorillas

She got a mouth full of smoke, blow it in the street

They say I'm epic by the way I flow, killa beta it

Got 2 Glock's talk shit, nigga let it spit

Ain't no strength into the street, I'm bout this G shit

Catch me coming out, first round drop it

With my big guns buy myself a motherfuckin mansion

Yea I'm shittin on these niggas who be talkin

Ridin like a AK, leave em in the coffin

Let the devil off from off that gnarly green dolphin

Like the Olsen twins, proceed my block with caution
Yea we off them green god
That we lowride
It's how we do it motherfucker on this side
Like the green thug, my status is my mind state
I bought a big booty bitch up on my birthday
All you gotta do is buzz me in when you see my face
I ain't worried bout the word, that's why a nigga hit
at they
Ride here to lick and taste, vibe to the shit I say
I got em got em goin goin crazy like a ape, you get
there

Goin gorillas, goin gorillas
Goin goin gorillas, goin goin gorillas
Goin gorillas, goin gorillas
Goin goin gorillas, goin goin gorillas
Goin gorillas, goin gorillas
Goin goin gorillas, goin goin gorillas
Goin gorillas, goin gorillas
Goin goin gorillas, goin goin gorillas

Premium love, premium love
Say what? A bad bitch on the loose nigga
Premium love, premium love
I see a nigga I'mma shoot nigga
Premium love, premium love
Say what? A bad bitch on the loose nigga
