Wonder under operate, cover one to your face
Coldest corner ' floor to state
Lockdown, want return, run it back
Trying to ' homie? nah, give me that
Believe it, flew it like, prime time

Bet they won't passing on the side that we on
It's a big step, high step, to the highest, so fresh
If you looked upon, to play the part
I look good, good look I play hard
So blessed and you can look above it
You in the zone, he in the man cubs
Mama sanders, you had to make more

Lights, camera, action just to hear prom speak
From the ' up, you know your boy was clean
In the same city man 2 different teams?

Keep sports baby, on the same day

Hold on player, did he do that?
My hands behind the head now my pocket's fat
Goggle me baby I'm ' swag

Teaching little kids about life and football
