You don't have to be thirsty no more
Lemme give you some of this
Lemme give you that Blast
That Blast, that Blast, that Blast

45 reasons to
I'm with her and she's with you
What'd you do, how'd we go
We blast off, before the show
Can in hand, grape or cherry
Watermelon, the flavor berry
Drink it up, willingly
Snoop Dogg is a modern day Billy Ly

You don't have to be thirsty no more
Lemme give you some of this
Lemme give you that Blast
That Blast, that Blast, that Blast

Oh, glory me, the fault's on me,
This ain't your average malt liquor
It' slicker, thicker
And it gets to you much quicker
Yaba daba doo

You don't have to be thirsty no more
Lemme give you some of this
Lemme give you that Blast
That Blast, that Blast, that Blast

Hollywood, MIA, Chicago, players play,
Detroit, Alabama, East St, Louis, Country Grammar
Down in Mississippi drinks come with a mania
They love mixing Blast with a bag of that Bama
And I'ma tell you the truth
Colt 45 Blast brought to you by the Big Ol' Snoop

You don't have to be thirsty no more
Lemme give you some of this
Lemme give you that Blast
That Blast, that Blast, that Blast

Blast brought to you by the makers of Colt 45
An original hood classic
Ya dig
