Aw yeah, this one goes out to all you muthafuckers out there

That didn't think we could make records that could bang in the club

Ya that's right, all you ladies out there with the big butts
With the long hair, the big titties, the pretty eyes
Report to the dance floor right about now

Wiggle it round c'mon down, Doggy-D-O-Double's in town

I know you wanna get down, so why you lookin' at me like that?

Bitch, break that shit down, I wanna make your kitty cat growl

I wanna hit it get it right now, so what you playin' with it for?

Back it up, slow move it around and dance to the flow

Now, put your hands on the floor, c'mon

C'mon on and gimme some more

It's crazy but baby, that maybe we gon' fuck in a man's Mercedes

Bitch, I ain't that loco, fuckin' with a broke hoe

Get a nigga smoked tho, no-no, na-na, nae-nae

She got a whole bunch of kids like baby

Listen what the pimper say

I want you to be what I want you to be

You can hump with me that's what I want you to be

I want you to be what I want you to be

You can hump with me that's what I want you to be

I slap bitches in the face and give em Jay-Z lips

Make them sign their life off so they can pay me chips

I cut hoes so much I should sell Band-Aids

Give bitches sandwiches with handmade mayonnaise

I put bitches on the stroll hall

Plus I control hoes like remote control super remote controlled cars

Code blow hoe on 'em like the Internet

Got my dick in her neck and ain't even took her to
dinner yet

Fuck that I ain't taken her to dinner
I'll bring her to a diner get behind and go up in her
You fuckin' with losers, I'm a winner
I'm gone in summer hot in the winter
Fuck hungry, I'm ready for dinner

'Cause you bitches don't know the law
'Bout to slap your ass off the endo smoke
I'm in the club straight goin' for broke
Sellin' bitches everything even low key dope

Don't you wanna get nasty, I like it when you freak that
ass
36-24-36 shaped like an hourglass
If ya doin' it wild in da club like a chicken with his head
cut off
Lawd, let me rub up on that clit it feels so nice and soft

Coast to coast we do-si-dos
And get your day started like a breakfast toast
Me and my niggas make beats for your strokes
Heat for your tokes, baby, tees for your chokes, keys
for your nose

Me squeezin' your folks when they come through
With their noses flarin' out like they be on that coke
Nah we on that dope, now, she wanna go 'cause she
wanna know
How did we walk through the front door? Your pants
down straight VIP

Well, when it comes to rap styles and rap crowns and
mack downs
Just mingle, we straight smack down, we so OG this
here gonna be
If you with it you can have a little hit off me
Get nasty, get freaky, get busy o-so-off the hizzy

I want you to be what I want you to be
You can hump with me that's what I want you to be
I want you to be what I want you to be
You can hump with me that's what I want you to be

Hey, OG, I want all you people out there on the dance
floor
Right now, see [Incomprehensible] get your
[Incomprehensible]
All the girls back your ass up, they say numbers

Come in the groove too, they're too [Incomprehensible]
Doggy style

Only a motherfuckin' ear hoe
Can you dig it? [Incomprehensible] take this away
Some funky in here, I got to get dig
Get, get, get, out loud, out loud

Don't you wanna get nasty, I like it when you freak that
ass
36-24-36 shaped like an hourglass
If ya doin' it wild in da club like a chicken with his head
cut off
Lawd, let me rub up on that clit it feels so nice and soft

Yeah, it feels so, so nice and soft
Don't [Incomprehensible] ass
You're shaped, shaped like an hourglass
