[Snoop Talking]

Yo whats up P

Yeah man these niggas think that I done fell off man

Think my shit done got weak I guess

Shit nigga I been hustlin' grindin' like a motherfucka

I aint went nowhere knowwhatlmean?

Shit guess I got to let these niggas know who I am

What I stand for and what I'm about huh

You feel me check this out BITCH!!

[Chorus]

whats my motherfucking name

Snoop Dogg

What I like to do

you like to hustle and ball

[x4]

[Snoop]

I get up early in the mourning and begin my mission

Brush my teeth then I creeps to the kitchen

Cook some bacon and eggs and put some braids in my head

Stash this pound, put the shit down then I head

To the spot thats hot, fuck a fed

I gotta clock this knot ya heard what I said

Im taking penitentiary chances, dancin with the devil

Im in it to win it for No Limit nigga next level

A whole lot of y'all niggas out there walk around dead here take this

shovel

Dig your own grave, your pushin on them pebbles

Stand out there on that corner long enough and watch what happen

Quit yappin about what you aint got and get crackin now thats what

happenin

Aint no body give me shit I took it

Nigga stright now but I started off croocked

Now look at all the shit I been through and I'm 'fen to

Get what I gotta get cause I'm just stright down for this shit

Now

[Chorus x4]

They say money is the key to end all your woes

Thats probably why I love it and cant stand them hoes  
I chop trees with G's and take trips over seas  
And pack a nine all the time and thats for all my  
enimies

What y'all thought, I cant get cought  
It aint my mothfucking fault they call mister seasonig  
salt

I'm bringing Gangsta shit to this No Limit click  
I'm way down south in a house and I'm bangin this shit  
I got gold around my neck that will never ever fade  
Rolex watch on my wrist nigga getting paid  
Thats all I live fo , you dig it  
Game is to be sold not to be told thats what my nigga P  
said can you

feel it

What y'all niggas knockin me fo and watching me fo  
While your bitch jocking me and clocking this doe  
Boy that sound like the old Snoop Dogg, shit I'm trying  
to get paid

Papered up and trying to ball y'all feel me  
Avoiding the snitches and the and the bitches too  
And the fake ass snake ass niggas which is you nigga  
fuck you

I buck you you I stick you I stuck you  
I love making that music that y'all niggas say y'all  
drugs to

[Chorus]

[Snoop Talking]

Bow-wow

Game reconize game

Now you know how a gangsta gangsta

You how a hustler hustle

And you know how a baller balls

Thats what you get when you fucking with Snoop Dogg

Stright up '98 No Limit records

You feel me thats real ha ha yeah

Hustle & Ball Thats all we do

All the real hustlers out there gone and give it up

Yeah get your money money get your money

Keep your heat get your money money
