Momma, momma, I love my momma  
I love my momma, through all the drama  
Momma, momma, I love my momma  
Check it out

The first one to hold me  
(Yeah)  
The first one to scold me  
(Yes-o)  
You never cease to teach me  
And always try to reach me  
(Momma)

Took me to school the first day  
Taught me how to kneel, down and pray  
(Amen)  
You learned me how to count from one to ten  
And never forget, where I've been, momma

Yeah, I love my momma  
Through all the drama, I love my momma  
(I love my momma)  
Through all the drama, I love my momma  
Yeah, I love my momma, love you momma  
(Momma)

I love my momma  
Through all the drama  
Yeah I love my momma, I love you mom  
(Momma)  
I love my momma

Through all the drama  
Yeah I love my momma  
I love you momma  
(I love you momma)  
Yeah, I love you momma  
Yeah, I love you momma  
(Listen here)  
Trip

You taught me how to care

(Uhh)  
You taught me how to share  
(F'real)  
You taught me how to love and to give  
Thanks to the one above, I love you momma

Yeah, I love my momma  
I love you, momma, I love my momma  
I love you, momma  
I love you, momma  
(I love you, momma)

I love my momma  
(I love you, momma)  
I love my momma  
(Now you tell 'em Snoop)

You taught me how to read and write, how to fight  
My do's and dont's, my wills and my wont's  
I'll never forget, the things that we went through  
Bangin' oldies in the livin' room, sippin' brew

Schlitz Malt Liquor was the thing back then  
My momma was my homey my daddy and my best  
friend  
Ask the Twinz, them my lil' locos to the end  
And Warren G and Nate Dogg, shit them my true  
friends

Time and time again, I'ma spit this rhyme again  
She the queen in my life and I'ma make sure she gon'  
shine again  
She taught me everythang but she didn't charge a fee  
She taught me everythang, except how to see a G

For the nine months you carried, I hope you bury me  
Instead of the other way around and I put that on Dogg  
Pound  
I made you cry, you made me smile  
I just wanna say I love you for life  
And that's the reason why I'm here no, love, Snoop

I love my momma, yeah  
I love my momma  
(I love you momma)  
Yeah, I love my momma

(I love you momma)  
Through all the drama  
Yeah, yo, yeah, I love you  
(I love you)

Momma, mamma, mamma  
Momma, I love my mamma  
Momma, I love you mamma  
I love you mamma, mamma, mamma

Your money wasn't always long  
(Fo' sho')  
But your heart was forever strong  
(Momma, mamma)  
You taught me bout faith and hope  
And never ever get hooked on dope

Momma  
(I love you, I love you, mamma)  
I love you mamma  
(Throught all the drama, I love my mamma)
