Promise I never leave you...

[Chorus]

Boy, boy, boy  
You know that you got me Snoop  
You're a joy, joy, joy  
It's all the pimpin things you do  
You got me in a daze  
And I dont know if it's the haze  
'cause we smoke so much ooh ooh  
(Ooh Ooh Ooh Ooh)

Yeah the bitch gotta bitch  
Hang out with the D-O-Double  
Girl be a part of this  
Now hang up your coat  
Blaze the dope  
Never missing a stroke  
Yeah Yea  
Now this here's a ?  
You ever seen a stretch ?? jet two seater (No)  
It aint what you want it's what you need  
A real ass nigga to help you kick your feet up (Yeah)  
Now flip your channel to Lifetime  
You stay on my mind  
Even when I'm writing rhymes  
We can chill all day until the nighttime  
I'll let you know when to go at the right time  
I know you don't want to go  
But you gotta get the hell up outta here (Go)  
I say go, you say no, GO

[Chrorus]

Have a drink have a ?  
What it do...Whatever you want  
And we dont wait until the first of the month  
We never hesitate to roll a hundred dolla blunt  
Nigga, money is nothing to us  
It's big pimpin over here baby you fucking wit us  
Struck it rich with the struck of luck of the dutch

Tripled you up you a little late for the flush  
You got plans for a honeymoon  
I got plans to move your fine ass up in my living room  
At the studio on the d-low  
Is you wit it (Never leave you no)  
You gots to stay committed  
To do what I say no matter how I spit it  
You wit it  
If I say go, that means go  
Now go

[Chorus]

Ooh Ooh  
Yeah come spend a week wit the black jack tripper  
Unzip your zipper  
Gotta couple of bitches that's gonna help you up outta  
that  
I want you to sing wit 'em  
All y'all sing together  
Come on we gon' be a group  
Let me here you say  
Promise I never leave you  
All my bitches let me here you say  
Promise I never leave you  
C'mon let me here you say  
Promise I never leave you  
Promise I never leave you
