G Mix! I was a fiend, before I became a teen

Crime orientated that's how the west was originated
Fitted like pieces of puzzle, complicated
I dropped the sack and tried to rap hits y'all
They tried to bang on me, and say that I'm too small
Cool! Cause I don't get upset
I call the king of the east catch a flight then I jet
Right back to the west, where my niggas is at
Scoop the gilly put it back on the map
Like this like that while you rollin a bag
Loadin ya gat, pop pop, I'm holdin ya back
I'm like the Whopper FUCK THE BIG MAC!
Run up on the dog my gat go click clack
And that's fo' sho!
The reason why, man I don't know so let's go cuz
