Ladies and Gentlemen
This is a jazzy fizzle product-shizzle
Angie Stone sing it baby, fo'shizzle dizzle
And you can't forget about the big
Snoopy D O double gizzle
Yeah, come on, come on, come on

Oh love, just don't know
What it is you do to me
Somebody upstairs ought
To complain got me feeling free

I aint diggin' nobody but you
Can't take a chance on nobody new
Said, I'm feelin' everything you do
Your love is gangsta, I wanna thank ya

Love the way you love me baby
Love the way you love me darlin', oh
Don't you know I love ya baby
You know I really love ya darlin'

Love the way you love me baby
Love the way you love me darlin', oh
Don't you know I love ya baby
You know I really love ya darlin'

You know your my destiny
And I love this chemistry
It keeps on pulling me, making me see
Your the one God has sent for me

I can't explain how your makin' me feel
Throw up my hands 'cause this feeling is real
Move 'em around 'cause your puttin' it down
Your love is gangsta, I wanna thank ya

Love the way you love me baby
Love the way you love me darlin', oh
Don't you know I love ya baby
You know I really love ya darlin'

Love the way you love me baby
Love the way you love me darlin', oh
Don't you know I love ya baby
You know I really love ya darlin'

You give me a natural high
It feels so good I'm on cloud nine
You took me to seventh heaven
I consider it a pleasure
[Incomprehensible]

Love the way you love me baby
Love the way you love me darlin', oh
Don't you know I love ya baby
You know I really love ya darlin'

Love the way you love me baby
Love the way you love me darlin', oh
Don't you know I love ya baby
You know I really love ya darlin'

G A N G S T A

From what I see c'mon whistle must we stay
Together forever you see 'cause ever
Is ever ain't never ever with nobody do we get up

And the 'S', oh yes, I guessed your blessed
I put the rocks on ya fingers, earrings jingle
No more single, you got a man in ya life
And I understand watcha like

Ya friends don't want you stayin' while you be seeing
me
But they don't understand that you love the 'G' in me
The way I walk, the way I look, the way I talk
The way you make love in the dark

Some things in life are meant to be
I thank God above that you were sent for me
You see 'cause my point of view, is all about you
You got to tell me what you wanna do

Come into my life, boy I adore you
(I need ya, I need ya)
Come into my life, boy I adore you
(Let's do it, let's do it)

Come into my life, boy I adore you
(C'mon, c'mon)
Come into my life, boy I adore you
(I gotta do it, do it, I gotta do it, do it)

Love the way you love me baby
(Come into my life)
Love the way you love me darlin', oh
Don't you know I love ya baby
(Come into my life)
(I gotta do it, do it)
You know I really love ya darlin'
(Yeah, yeah)

Love the way you love me baby
(Come into my life)
(I gotta do it, do it, do it)
Love the way you love me darlin', oh
(Yeah)
Don't you know I love ya baby
(Come into my life)
(I gotta do it, do it)
You know I really love ya darlin'

Come into my life, oh oh
