*[Snoop Dogg]*

Yeah man, this is another 9 inch dick classic  
We wanna dedicate this one, to all the fellas  
who got a hardhead bitch, who just won't listen  
Y'know? The best thing to do, is leave her  
Don't hit her, shake that ho (bitch I'm gone!)

*[Chorus: Soopafly]*

Bitch I'm gone.. I can't take it no mo'  
I can't get through to you  
There's nothin I can say that you seem to understand  
Bitch I'm gonnnonnnnnneeeeeeee.. I'm out oh yeah yeah  
yeah  
I'm through wit'chu  
Oh I'm through wit'chu, yeah

*[Soopafly]*

I knew that you, was a ho back then  
And bitch you're still one now  
Ya like to bust, nuts in your face  
But with that big-ass mouth  
you need to shut the fuck up, you talk too much  
I told you once before, yeah  
That pimpin don't, like to tell you twice  
So I'm walkin out that doooooooooooooor

*[Chorus: Soopafly]*

Bitch I'm gone.. oh yeah bitch I'm, oh I, I got to get the,

*[Soopafly]*

(Bitch I'm gone) Bitch I'm through wit'chu  
I'm through wit'chu, cause I refuse to lose

I can't be locked in your world  
(Bitch I'm gone) I need to breath, I got to roll  
(I'm through wit'chu) Ain't no way  
I can stay another day wit'chu

Bye bye bitch, and wit all the other pussy, yeah  
a nigga got besides yo' big head good and butt fo'  
ugly kids  
Still livin with ya grandmama buckin mouth ass  
You shoulda known, you was fuckin with a mack (MACK)  
Instead of steppin your game up, you got pushed way  
to the back

(Step off, step on back)  
I seen yo' expression, when you seen me pimpin in the  
club  
It looked like, it looked like you wanted to break down,  
down and cry  
But I just didn't give a damn, I didn't give a damn, no  
no I didn't  
Cause bitches ain't shit, anyway, so don't even ask me  
why

*[Chorus: Soopafly]*

Get yo' shit, and get the fuck outta here  
Even though it's yo' motherfuckin house, get the fuck

Got a fo' bedroom upstairs, I'm movin your sister in

*[Chorus - singers only version, in background]*

And I gotta protective order against yo' punk bitch-ass  
So we gon' partyin all night long  
And your sister a twin so the bitch is the same bitch
