[Dr. Dre]

Dippin down Compton Boulevard

I only rides with my Doggs (say what) I don't give a fuck

about none of y'all (fuck y'all) I'm ridin til the wheels fall
off

I only rides with my Doggs

[Snoop]

Beware of the big mash, you knew he wasn't finished
witcha ass

He'll stay on it til it's burnt out, looked how it turned out

Nuttin you can do, can't help you out

So fall down, Dr. Dre done fell back into the House

(DPG)

with the Pound, bitches keep throwin pussy at us

We don't want it, yea bitch it don't matter

It's all about the money, if you got it, throw THAT up

(throw it up)

Hmm, ride along witcha set (Eastsiide)

And watch us, you motherfuckers can't do that yet

I skirt out, I hit a corner on ya, fuck doin halfway

I do it to the fullest, I'll probably catch bullets on my last
day

I hope a prayer come through so I can eat

My shoes lookin like about a buck fifty each (but I ain't
trippin)

But I'ma come up, that's on my momma
Now that's on me, cause that's a burden on my
momma
And she done suffered, the shit's gettin rougher
And when the goin get tough, the tough get a strap
and low-ridin's on the map
