Yes sir

Can I get more thrills?  
You know you want some more, girl, so, come on  
Can I get more thrills?  
You know you want some more, girl, so, come on  
Let's get blown, let's get blown

Looking at the ladies, all of them fly  
I don't know which one I want dawg  
I can't make up my mind, girl

So, won't you make it easy on me?  
Then take this drink, then hit this weed  
Two step wit me, let's slip to the dance floor  
On and on and on and on we go

I'll dip you if you want me to  
You see, I really wanna get a little front wit you  
Bigidy bump wit you, a nigga wanna hump you  
And then just comfort you

And then I'll pop the top and lay you on the cot  
And get you nice and hot  
Yeah, yeah, it's all to the real  
We could do it like Guy, c'mon girl, let's chill

Can I get more thrills?  
You know you want some more, girl, so, come on  
Can I get more thrills?  
You know you want some more, girl, so, come on  
Let's get blown, let's get blown

Now, you can fly the friendly skies  
With the S N double O P D O double G Y  
Now, don't ask why, just keep looking good in the hood  
Damn girl, you so fly

We can do what you want to  
You say you drink Alize or was is Malibu?  
It don't really matter though  
You remind me of the time when I had a ho'

She kept telling me, Doggy, Dogg, I gotta go  
So, I let her get in the wind and co-macked her friend  
2 plus 2, it equals 4, this is some shit that could last  
forever more

I'm trying to put my bid in, naw, I'm just kidding  
Come on Ma, get in and don't ask where we going  
Pimping and hoeing, drink pouring and weed blowing  
You know it, come on

Can I get more thrills?  
You know you want some more, girl, so, come on  
Can I get more thrills?  
You know you want some more, girl, so, come on  
Let's get blown, let's get blown

I've been looking at you from the corner of my eyes  
Checking out your hips, lips, tits and your thighs  
I've been wanting to do you for a mighty long time  
You make a pimp wanna sing, I, I, I

Well, head to the hills, your dreams I'll fulfill  
We could do it how you want 'cause I'm, oh, so real  
Tell me you, naw, I won't squeal  
You wit Da Big Boss Dogg, so, seal the deal

Pharrell got the Babyface and Dogg got the Whip  
Appeal  
So, name the place  
This love I bring to you, on the real baby girl  
Won't you do me a favor and sing for Snoop?

Can I get more thrills?  
You know you want some more, girl, so, come on  
Can I get more thrills?  
You know you want some more, girl, so, come on  
Let's get blown, let's get blown

(You know you want it)  
If I got it I'm a give it to you  
(So, come and get it)  
If I got it I'm a give it to you

(If I got it)  
If I got it I'm a give it to you  
(Then you can get it)  
Ya know, hey, oh

Can I get more thrills?  
Can I get more thrills?
