80, 85, 90, 95,  
100, ready or not baby, here I come

Dat nigga daz struck a match and the match went out  
But it wasn't no more lights in the motherfucking house  
Speakin of house let's play a game of it  
Is you wit it? hide and go get it, I betcha love it baby  
I'll play the daddy and you can play the momma  
So we can get down on the living room floor  
Is ya wit it? I promise I won't kill it  
Loose pussy on my dick, should I kill it? never! yes

[michel'le]

See back in the day when we used to play  
You wanted to be with me [that's right]  
Now that is so right and natural  
No other man that I can see  
I'm singin in my backgroun  
Diggin up a hole for you to make your move  
But no longer will I be told regroup  
Let's play house

Chorus: snoop dogg, nate dogg

[snoop] [nate]

Engine engine number nine, let's play house  
Rollin down the dp line.  
(repeat 2x)

[michel'le] let's play house...

[michel'le] is that what you want me to do with you?

You play tha momma baby let's play house

I'll play the daddy

You can play the momma

And I'll play the daddy [michel'le] let's play house

You can play tha momma let's play house

And I'll be the daddy

And I'll be the daddy

That runs the house, straight up

[warren g]

Now you can call me pappy or you can call me daddy  
I'm hitting 21st in the blue and grey caddie

I'm feeling like scrappy, or is it scooby doo  
Cause I'm chilling with the motherfucking dogg pound crew  
Now pass the bud to that nigga geezy weezy  
So I can let you down easy  
Some niggas tried to see what I see  
Cock rocking with they bitches but they can't cock rock me

[kuru]pt]

G-dub, I know you know this bitch by tha name of danielle  
Body of a goddess face from hell  
But oh shit, this wasn't the average bitch  
Her coochie was cavi and she liked gobbling dicks  
And I got a whole nine and a half on that black ass Groupie, now all the hoochies wanna do me from the past  
To the present (say what? ) let me rep and present (who dat? ) the biggest nigga hittin all the hoes in your click  
Fast as lightning running through like the breeze  
In the summertime out on the corner making g's  
It's the thirst, but I can show something much worse  
Than the thirst, so pack your bitch ate my dick first  
But first things first  
Brenda, I can remember  
How hot these hoes can get, eighty-seven, eighty-six, yeah  
The year a young man grows  
Fatal mistakes sprung over hazel-eyed hoes  
Bitches ain't shit but them hoes and tricks  
And that's all I can think of to describe a bitch

[michel'le]

If you wanna be wit me, stay wit me, play wit me  
Come kuru]pt, and step to me  
My, sweet, baby

[nate dogg]

Let's play house, let's play house, let's play house  
Let's play house, let's play house

Repeat many times

[michel'le] (singing in her famous high pitch)

Daz and kuru]pt, is that what you wanna do? you wanna

play house? (keep it cool, yo) well I ain't got no time.  
(well you mean what me and nate dogg doin.) so what  
you wanna do? (yeah, michel'le on the track, hey.
