Just Blaze!

*[Snoop]*

Ehehe, oh really?

You know what? .. You talk too much

Hoe get up out my face unless you tryin to fuck

Cause on the real a nigga kinda drunk

And right now the way you lookin bitch you fly as fuck

I don't even know if I done had too much

You play too much, I had to fuck

Cuddled you up and put my hands on your butt

Rubbin your stuff and now your pants full of nut

.. You can't tell me nuttin

Let me shoot my thang on your bellybutton

I got to, keep it gangsta

Your homegirl want some, I just might bank her

Shank her, bank her, and take her bankroll

Big Snoop Dogg and my game is way cold

Never, ever, overexpose

I usually got a car with a room full of hizzoes

*[Chorus]*

Snoopy, ooh-wee, you so fly

Can I give you a little piece of the pie?

Shake it, bake this thing for me

Cause you just flow so viciously

Soopa-Duper, you so fly

Can I give you a little piece of the pie?

Shake it, bake this thing for me

Cause you just flow so viciously

*[Soopafly]*

Now bitch, check it out, where my money, c'mon break it out

Just sayin hoe, I ain't playin c'mon, take it out

Dick down the track, c'mon, we gon' work it out

Straight pimp shit we on, we gon' church it out

(If you don't know) I'm quick to change up stick

My dick in yo' mouth and aim up

Open up your eyes you'll see my navel

Flip down my drawers, you'll see that label  
Sniffed so much 'caine/Kane, the bitch got able/Abel  
Put the switch on, directed my cable  
Splash! What head work and what ass  
Bitch stop my dick hurtin, now fuck Daz  
Run fast if I tell ya bitch walk  
Get caught, I'm takin all that bitch got  
I don't need no relationship  
All I really had in mind was my dick, yo' face and lips,  
c'mon

*[Chorus]*

Snoopy, ooh-wee, you so fly  
Can I give you a little piece of the pie?  
Shake it, bake this thing for me  
Cause you just flow so viciously  
Hovi Baby, you so fly  
Can I give you a little piece of the pie?  
Shake it, bake this thing for me  
Cause you just flow so viciously

*[Jay-Z]*

Young! Woo! Hov! Yes  
She wanna meet the only king on the East coast  
Hook me up witcha boy Snoop she said he so low  
I never get the chance to get at him  
Only on the TV when I blow kisses at him, muah  
Listen here madam, you can throw the pussy at him  
If it ain't about snatch, well it just won't happen!  
.. Hov ain't into backwards mackin  
.. How backwards that is  
.. I don't love 'em though  
'Less makin a little paper then I love 'em the most  
If she's, sneakin in the club with the toast  
I'm flyin the friendly skies with 36 hoes  
Shit, I can get a chef to cook for me  
Talk about some paper if you tryin to book me  
Ma, you can keep your head  
I got, expensive habits that need the bread

*[Chorus]*

Snoopy, ooh-wee, you so fly  
Can I give you a little piece of the pie?  
Shake it, bake this thing for me  
Cause you just flow so viciously  
Snoopy, ooh-wee, you so fly  
Can I give you a little piece of the pie?  
Shake it, bake this thing for me  
Cause you just flow so viciously

"Let's go do the bump.. give me that funky stuff"

*[repeat 4X]*

*[Nate Dogg]*

I like the way you shakin that ass, so don't stop  
Slang that ass like I used to slang rocks  
Bend over trick let me get to that spot  
Later on you can lick on my lollipop  
I like the way you shakin that ass, so don't quit  
You know you get a hella response from my dick  
Don't put your fuckin clothes back on 'til you rich  
The type of woman I want tonight, a straight bitch!
