Yeah

Like I dedicated this record
To my mayne man Johny Cash
A real american gangster
I got my nephew whitey four on the guitar
Young Trail on the drums
Grand on lufrey
Here we come
Oh

Jack me nimble, jack me quick
Jack of the spoon on the candlestick
Don't step tippin on the one trick only
Yeah she kinda skinny but she gets my money

[Ref:]
Get my money
Buy my medicine
Buy my medicine
Buy my medicine [x2]

Yeah
You know I've got a head at medicine
That prescription medicine baby
You know purple orange green

Jack starts hanging round with the fiends
Got strong out sold and count of beans
Told young wife he got love your honey
But you gotta hit the streets
Go and get my money

[Ref x2]

Yeah

The more dedicated the more medicated
You feel me?

Girl my love gonna last
Just as long as my high

And I'm high
All day, everyday

You can trust every word
I'm gonna say will be a lie

Haha
Yeah, I lie sometimes

What's the use of the truth
If you can't get a lie sometimes baby
Now, dig this

Jack starts a track up and down a hill,
Gotta walk and think "an ace what he told to Jill?"
Come rain, come shine, come snow of a sunny
Get the fuck out girl and get my money

[Ref x2]

Yeah
They say you can't buy me love
But you damn show can buy me bud

Girl my love gonna last
Just as long as my high

Oh, I'm so high right now
How about you?

You can trust every word
I'm gonna tell you is a lie

Liar, liar pants on fire

Girl, I love you
I love you though
