Fifteen years  
In da game man  
And I'm still relevant  
It's a blessing  
It's a fine line  
How to keep it cool  
And keep it g  
All keeping a g  
Is keeping it cool  
And all keeping it cool  
Is keeping it g

1992, d cover hit da world  
And fell in love with snoop  
Doggystyle came out  
It's like I dropped the bomb  
One of the greatest  
Hip-hop records of all time  
I was young, gettin' money  
Livin' wild and free  
Got owned and I brought  
The whole pound with me  
Didn't matter who's around  
I kept it way to G  
Niggaz know  
It was eastside LBC  
Gangsta shit  
That's what  
A Mothafuckin' Gangsta Get  
The one up above  
Didn't like my pace  
I was movin' too fast  
Then I Caught That Case  
Hm, I fought dat case  
Wondered where  
Dda west would be  
If I'd have lost That case  
I slow ma down  
Swimin' with da sharks  
And I almost drowned

(Chorus:)

I done made some mistakes  
Long da way  
To become da G I am today  
Who'd ever thought  
I'd make it this far  
Out the hood to be a big star  
And I ain't going nowhere  
Only I ain't ever comin' down  
I'm too high in the cloud  
To ever have to worry 'bout dat

I'm finally out  
And da critics  
Say they love me  
Cause I went to the south  
Said I wasn't gone shine  
Had me left for dead  
Switch sides  
Now my old boss want me dead  
Dropped the first of the three  
And you said it was weak  
No limit Top Dogg  
The return of da biz  
And from dat point on  
I know what to do  
Don't worry 'bout them  
Just do what you do  
Last Meal was the one  
Who took me off the leash  
Dats da last time  
A nigga gonna eat off of me  
Stack Black after black game  
Mil your soul  
I'm da boss of this bitch  
And I ain't never went gold  
Nigga

I done made some mistakes  
Long da way  
To become da G I am today  
Who'd ever thought  
I'd make it this far  
Out the hood to be a big star  
And I ain't going nowhere  
Only I ain't ever comin' down  
I'm too high in the cloud  
To ever have to worry 'bout dat

Boss of da city  
Boss of da coast  
Some otha niggaz

Try but none  
Of them come close  
They stuck like a silly  
But nothing like a loke  
Da big bow wow  
I kill it with one stroke  
Dats what it's about  
They tryin' a tell a nigga  
What to come out his mouth  
Mothafucka I'm a G  
But first I'm a man  
Freedom of speech  
Bitch is a word you can't ban  
So they blamin' me  
Saying this my talk  
Just some women  
Is hoes like it's my fault  
Hm, damn they lost  
They just don't know  
Ddat a bitch is a bitch  
And a hoe is a hoe  
Let them heaters cock  
And let them leaders talk  
I'mma be smokin Down  
Livin like a boss  
Let them Heaters Cock  
And let them leaders talk  
I'mma be smoking  
Down livin' like a boss  
Nigga

I done made some mistakes  
Long da way  
To become da G I am today  
Who'd ever thought  
I'd make it this far  
Out the hood to be a big star  
And I ain't going nowhere  
Only I ain't ever comin' down  
I'm too high in the cloud  
To ever have to worry 'bout dat

Too high, too high  
In the cloud  
To ever have to worry 'bout dat  
Too high, too high  
In the cloud  
To ever have to worry 'bout dat  
Too high, too high  
In the cloud

To ever have to worry 'bout dat  
Too high, too high in the cloud  
To ever have to worry 'bout dat  
Too high, too high in the cloud  
To ever have to worry 'bout dat  
Too high, too high in the cloud  
To ever have to worry 'bout dat  
Too high, too high in the cloud  
To ever have to worry 'bout dat  
Too high, too high in the cloud  
To ever have to worry 'bout dat  
Too high  
To ever have to worry 'bout dat  
To ever have to worry 'bout dat  
No, no, to ever have  
To worry 'bout dat  
No, no, no  
To ever have to worry 'bout dat  
To ever have to worry 'bout dat  
No more, no more, no more  
To ever have to worry 'bout dat  
I'm too high  
To ever have to worry 'bout dat  
To ever have to worry 'bout dat
