Money makes a man and that's a crime
If we all were rich, we'd spend more time
With our daughters and sons, they're losing their minds
We all feel hurt, here's mine, hear me now.

Cause, no guns are allowed, in here tonight
We're gonna have a free-for-all, no fights
I wanna get lost in the crowd, in here tonight
I need to hear my thoughts, turn the music up loud.

Let the music play, me don't want no more gunplay
When the bodies hit the ground, there's nothing left to say, ay, ay
Me don't want to see no more innocent blood shed
Me don't want to see no more youth dead
Come hear me now.

Cause, no guns are allowed, in here tonight
We're gonna have a free-for-all, no fights
I wanna get lost in the crowd, in here tonight
I need to hear my thoughts, turn the music up loud.

Yeah, yeah, yeah, news from back home
This when it hurts to be gone
Two more young names to be carved out of stone
One summer day that went horribly wrong
Got my dawg on the phone
Crying and saying to leave him alone, but I'm not leaving his side
I know that somebody died, somebody's child
Some people ducked down and some people hide
Some people just cannot react in time
Bullets do not choose a victim
It is the shooter that picks 'em
They just can't wait to get you in the system
The district attorney could use a conviction
Told you no guns and then you didn't listen

Life is so heavy with that on your soul
Dedicate this to Cheyenne and Josh
And pour something out for the lives that they stole
416.

Cause, no guns are allowed, in here tonight
We're gonna have a free-for-all, no fights
I wanna get lost in the crowd, in here tonight
I need to hear my thoughts, turn the music up loud.

Money makes a man and that's a crime
Money makes a man and that's a crime
I wanna get lost in the crowd, in here tonight.
