(Verse 1)

I am the man in black I'm back  
Breaking the back of the random attackers  
So can the flak  
Yo I'm dangerous  
I've been trained to bust  
When a stranger fuss try to endanger us  
Praise me y'all  
Dont nothing faze me y'all  
When they see me their gaze be all crazy y'all  
They say I'm a myth  
Trust me if somebody riff  
Out of the depth of your imagination appears Will Smith  
Black suit, the black shades, the black shoes  
black tie with the black attitude  
New style black Ray-Bans  
I'm stunning man  
New hotness pitch black six hundred man  
Don't you understand?  
What you thought I wouldnt come again?  
Leave you hanging without bringing you the fun again?  
Tangling with the alien scum again  
Mind ya manners or the black suits running in  
Nod Ya Head

(Chorus)

When you get down with the black suits baby  
Just let it loose let that head go crazy (Let me see you  
nod ya head)

the way we bouncin and shakin I know you feelin me  
So get up out ya seat come on and nod ya head with  
me (Nod ya head)

When you get down with the black suits baby  
Just let it loose let that head go crazy (Let me see you  
nod ya head)

the way we bouncin and shakin I know you feelin me  
So get up out ya seat come on and nod ya head with  
me

The best looking crime fighter since myself in part one

Cause Kay is back and he hype - what? Bring it on!

Come to blow down the block for ya WOOF!

Come to crack the street for ya WOOF!

Blast the windows out ya jeep for ya WOOF!

(Verse 3)

Check it, Check it  
Yo, case closed  
Erase my foes  
Chased away by the black suits, shades, and clothes  
We above the law  
Feds can't touch me y'all  
Highly ranked black blank I.D. card  
So disregard what you think you saw  
Put that phone down now  
Who you think you calling huh?  
One little flash then good night there  
Just open your eyes honey look right there  
Thank you mission completed  
I mean it we won't be defeated  
You seen it we did it even with weapons depleted  
Galaxy defenders don't act like you don't remember  
Taking contenders and proving they only pretenders  
Ladies and gentlemen, boys and girls  
The Men In Black is back to protect the world  
When the enemy is near the elite is here  
So have no fear just let me see you  
Nod ya head

(Chorus)

When you get down with the black suits baby  
Just let it loose let that head go crazy (Let me see you  
nod ya head)  
the way we bouncin and shakin I know you feelin me  
So get up out ya seat come on and nod ya head with  
me (Nod ya head)(Come on)  
When you get down with the black suits baby  
Just let it loose let that head go crazy (Let me see you  
nod ya head)  
the way we bouncin and shakin I know you feelin me  
So get up out ya seat come on and nod ya head with  
me  
Come on

We come to make it hot for ya WOOF!
