Have a see baby girl
Come and limp with a pimp
Relax, you know I got this shit
Split that squishy
While I pop this Kris
Yea girl, its the D-O dub
How you feel

Mixin and fixin and beat it and beat it

[Jamie Foxx]

Your love so bold
And so cold
Like a fridgerator
You work that ass
(Snoop D-O Double to the G)
Up and down
Like an elevator

[Snoop Dogg]

Dont you wish yo boyfriend was a gangsta like me?

But he ain't
And don't drink slow
And think slow
Cuz hey

And I'm likin it
Lovin it

And then you dippin it
Diggin in
Workin it
Why you wanna go an do that?
Its not T.I

Snoopy D-O double G-Y
And I'm settin the tone
You know
Me and you we need to be gettin it on
In a real way
Its so major
Me and J. Fox wanna fly ya'll to Asia
So what's stoppin ya'll

Let's get it poppin ya'll
A little somethin for the head
Like a tylenol
Groove
And do yo doo
And don't play with it
Go and make yo move

Boy what you want
(Snoop D-O Double to the G)
Tell me what you want

[Chorus]

Psst!
Baby let me holla at you
Psst!
I'm tryna throw these dollars at you
Psst!
Boy what you want?
Psst!
Tell me what you want
Psst!
Baby let me holla at you
Psst!
I'm tryna throw these dollars at you
Psst!
Boy what you want?
Psst!
Tell me what you want

[Jamie Foxx]

Girl you know you're show stoppin
When you get that body rockin
Let's roll these trees on ya
(Snoop D-O Double to the G)

[Snoop Dogg]

We're lookin for some dream girls
Close your eyes baby
And dream on this
