Ride in my chevy and I'm sitting at the...
I got cush in my...
All the people when they see me...

Chorus:

Rollin' in my malibu, rollin' in my malibu
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go and smoke!
Looking for a place to go!
Rollin' in my... rollin' in my...
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go!
Looking for a place to go!
I'm looking for a place to smoke!

Rolling... what do I look for?
Hoes right behind me, they're bringing my...
Stress on my mind, I kept smoking my...
Smoking while I drive, I'm just rolling my...
... I didn't see the game, I didn't reach my...
What these niggers know about...
P for the porsche, I'm just getting my smoke gun

Chorus:

Rollin' in my malibu, rollin' in my malibu
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go and smoke!
Looking for a place to go!
Rollin' in my... rollin' in my...
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go!
Looking for a place to go!
I'm looking for a place to smoke!

Back to the... and the streets...
I roll up the cheaf, and then I run to the...
... shut guns and...

She heard about the smoking, but she smoke like a...
You're fucking with the... and I'm a dog of a leash
And just to say the least, let the marijuana...
And watch what you smoke, don't get ashes on my
seat!
I'm just looking for a place to roll these trees while I'm:

Chorus:

Rollin' in my malibu, rollin' in my malibu
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go and smoke!
Looking for a place to go!
Rollin' in my... rollin' in my...
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go!
Looking for a place to go!
I'm looking for a place to smoke!

Sliding in my malibu, me and my...
Heading to the picnic, I smell that...
Homies on their... see, that's their thing...
So we gonna play our music, we...
Honey, twenty seven chevies, we ride out!
All... we stay true, or we just black out
Eighty three, roll... call this...
Back out with a...

Chorus:

Rollin' in my malibu, rollin' in my malibu
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go and smoke!
Looking for a place to go!
Rollin' in my... rollin' in my...
Looking for a place to smoke
I got the weight of the world on my shoulder
Looking for a place to go!
Looking for a place to go!
I'm looking for a place to smoke!
