At ease, I'd like to welcome the newest no limit soldier
Mr. Snoop D O double G and he brings to the tank
Money, power, respect, leadership
Street knowledge and wisdom

D.P.G., yah D.P.G.
Pop the Champagne
Once you break this of you can't get twisted
So pay attention and listen

Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free
Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free

Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free
Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free

Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free
Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free

Welcome to this world that you never thought existed
And you got to be a soldier to be enlisted
Listen, I'm gonna take your mind and your body and
your soul
On a whole li'l trip, just don't lose your grip

Wait a second, where is the sack?
You don't have to ask no questions just jump in the
back
And leave your strap, 'cuz there ain't none of that
Where we goin'? It ain't nuthin' but 808, beats and
flauntin'

Niggas showin' niggas love, hoes suckin' dicks
That's how we do it, 'cuz everything is in the mix
Doggy Land, Doggy World, Snoop World whatever
It don't matter 'cuz we 'bout it and homies down to do

whatever

Everything is legit, and the bitches the shit
And niggas they give you love 'cuz dey down for it
Now that's just how it goes and all the hoes on me
And everything is V.I.P and that's on D.P.G.

Now nigga creep in, just like a liquor store
So nigga if you want a hoe, nigga just let me know
I'll send a H and when she gets you
She with you forever and a day 'cuz that's the D.P. way

Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free
Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free

Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free
Welcome to my world nigga and it's V.I.P
And the bitches and the Bud for free

Welcome to my world

Wipe your feet before you enter in
Now take a seat and peep dis beat and sip yo' gin
'Cuz ain't no killin', everybody chillin'
Steady stackin' paper from the floor up to the ceilin'

Now in my world, a bitch is a girl
And man's best friend is his ends and his mothafuckin'
Benz
But y'll can't get in just 'cuz you all say you chall down
wit us
And try to get around wit us and hang around wit us
and clown wit us

Hold on, this shit here is for the establishment
Niggas that's havin' shit and if you ain't roll on and
stroll on
This is the spot were the bangers at, the slangers at
Where red and blue equals green and we proud to be
black

In fact we stack G's for them keys, so when we finished
doin' deeds
You all can't believe what we did
Provide an opportunity in the community
Tryin' to spread a li'l unity between you and me

Since I'm the mayor, I think I gotta say a li'l somethin'

Let's keep it jumpin' playa, playa
Ain't too many places that you know about
So everybody in the world, welcome to the
muthafuckin' Dogg house

Welcome to my world nigga where it's V.I.P
And the bitches and the Bud for free
Welcome to my world nigga where it's V.I.P
And the bitches and the Bud for free

Ugh, picture me ballin'
3rd world hustler out the ghetto of New Orleans
Some say life is like a fairy tail
Did a song with Snoop Dogg and it turned into a
business deal

But it ain't 'bout da ends 'cuz we all got matches and
we all got Benz's
It's about riddin' with the homies
Gettin' rid of the fake and lookin' through the phonies
And the haters can't stop this, check Billboards,
number one

The only company with a profit
So say, ugh and how you do dat there
It's no limit, D.P.G.
Nigga we don't care

Welcome to my world nigga where it's V.I.P
And the bitches and the Bud for free, come on
Welcome to my world nigga where it's V.I.P
And the bitches and the Bud for free, come on

Welcome to my world nigga where it's V.I.P
And the bitches and the Bud for free, come on
Welcome to my world nigga where it's V.I.P
And the bitches and the Bud for free, come on

Welcome to my world nigga

Yah, Snoop World
Home of the no limit soldiers, beats by the pound
You know how we do dis, ain't no stoppin' this
We can't be stopped, we run da streets

You feel me, da streets is ours
Ain't no stoppin' this shit nigga
Ain't no limit neither, you're lucky
Yah, it's on for life

Gonna drive this tank overseas

Gonna get these G's
While we smoke on these trees

Welcome to my world nigga
Snoop World
