Aye girl

I know you love it bitch
You know my dick is like a mountain, come and climb it

I know you love it bitch
You know my dick is like a mountain, come and climb it

Take a hike

YouÂ... and me
We ought to get a cheap hotel
You know why?
Cuz you want me
Nothing but a real cheap thrill

I know you like it
You wanna climb it
You love it when you spread your legs and I get inside
it
I know you like it
You wanna climb it
You love it when you spread your legs and I get inside
it

Take a hike
Look look look
Take a hike
Look look look
Take a hike
Up in the sky
Take a hike

Look at the way that the bitch on my dick
IÂ'm just gon deliver what she came to get
Drink in my cup, holdin the blunt

Right on the dance floor, we almost fuck

Look at the way that the bitch on my dick
Iâ€™m just gon deliver what she came to get
Drink in my cup, holdin the blunt
Right on the dance floor, we almost fuck

Huh we almost fuck
Right on the dance floor, we almost fuck
Yea we almost fuck
Right on the dance floor, we almost fuck

I know you like it bitch
I know you love it bitch
You know my dick is like a mountain, come and climb it
bitch
I know you like it bitch
I know you love it bitch
You know my dick is like a mountain, come and climb it
bitch

Sag it in my thought and I handle bars
Cali nits, we handle ours
Smoking good, flash cigars
Fucking bitch, you like it hard
All around the world, she get in charge
She just rules, we live it large
Fuck that bitch and her friends
My 50 bitch out in Maryland
Letâ€™s go

Take a hike
Take a hike
Take a hike

Girl, if youâ€™re looking for that real hard
Iâ€™m the one, Iâ€™m the one
Girl, if youâ€™re looking for that real hard
Iâ€™m the one, Iâ€™m the one

9 inch dicks, go!
