I put down more hits than mafioso made
And Lucky Luciano 'bout to sing soprano
And I know, I know the way you feel
And baby bubba we gon' keep it on tha real

Just to get you caught up in amazement
We puffin' on Cubans so it might get dangerous
But when it isn't, you can sit izzon bizzack
And let the Bizzow Wizzow ride the trizzack, ha ha

How you feelin'? I'm up to dealin', ridin' like a villain
Makin' a killin', thrillin' the crowd wit my new hairdo
Outfits unused, fifty dollar socks, hundred-thousand
dollar shoes
Man, I'm givin' blues to these sucka MC's
Who you be? You know who I be, young nigga
I'm Tha Doggfather

Let's make a move for this paper
(Where we rollin' Dogg?)
We got's ta get paid
(Makin' money all y'all)
I mean, I steps to tha stage in my G-boy stance
And say a few rhymes to make your girl wanna dance

I'm so fly like a dove
I come from up above
You trippin' on your girl 'cause she showed me love
Nigga don't beat 'em, 'cause if you beat 'em, you don't
need 'em

You lay your hands on me, watch how fast I take your
freedom
I delete 'em, but don't mistreat 'em
I stay up on 'em, and that's one ta grow on
Let me flow on

You can rock to tha rythme you see
Or you can rock to tha rythme of me
Just remember when you do your thang
Make sure you do your thang on a hang

And everythang, is everythang
There ain't no mo' than this paper chase
Like them white-boy DA's was on tha case
You know I ain't tryin' ta floss, but uh
(Murder, murder, murder)
Was the case that they lost
I'm Tha Doggfather

Now, do anybody in tha house remember
When there wasn't no Snoop Dogg?
(Hell yeah)
There wasn't no rappers hollin' 'bout LBC
Am I trippin' y'all?
(Hell no)

Now, when I grow up, I wanna be like Snoop
Have prestigious women
That's the truth from the beginning
In and out of the flyest hotels

You say your family don't know me
Hold on hommie, that's foremost and promos
Sales, tails, scales and jails
Success before death

No one in my clique fails
As females with the almighty Father lead
Succeedin' ta give my peep's just what they need
And it ain't no party like this kind

'Cause you can leave your worries behizzind
But I'ma git back to tha grizzind
Snoop D O double G comin' back for mizzine and
I'm tha Doggfather
