Snoopy is what they as if they knew me
Groupies on my head like a crew fee
My ni**a Kid Cudi, Thats my little buddy
Call some hoes up and get some cudi cudi
Whats your life like? Mine is kind of tight
A long way from hustling, they turn away
My people love me, the fans love me come on girl,
If you aint showing love then what you call for?
I dont need it in my life, My kids pay the price,
But sorta like the need of my wife, Smoke till im gone
Dogg on the phone, Im world wide known
Im a boss in the zone, I get it how I get it cause again,
I earned my spot, you seen the plan, I was f**king with
my fans,
I turned out to be a better man, important to life
You understand while im puffing on this gram

Everything Im having but it aint necessities,
Though im shining keep on grinding
What you see aint all of me
Though i keep them hoes, dont love them hoes
The code in which I roll
Its so simple what i need
You know i keep my fam but i cant forget that tree
Na na na na na I cant forget that tree
Na na na na na I cant forget that tree
Na na na na na I cant forget that tree
(yeah) Na na na na na, na na na na na
Na na na na na

I got my fam dog, i got my ni**as
I got alota money yo, and i aint tripping
Most days are faded, feeling x-rated
Steady with them freaky hoes, and i want a lady
Holding the fam down, and my clothes on me
The peoples who were there when some suckers left
me lonely
Phoney when you see a ni**a dont approach me
Made it to the top baby, thats all me
Cats trying to claim that they made me
However you feel, I know the real for dazey

I chew through a 100, Never fronting on me B
Im living in the zone, No place for pu**ys, my ni**a
Calm your two haters who dont know loco
How a nigga like them coastal, The ones fans love
Who is always approachable yo and i rep the double o
Smoking eating cheerios

Everything Im having but it aint necessities,
Though im grinding keep on shining
What you see aint all of me
Though i keep them hoes, dont love them hoes
The code in which I roll
Its so simple what i need
You know i keep my fam but i cant forget that tree
Na na na na na na I cant forget that tree
Na na na na na na I cant forget that tree
Na na na na na na I cant forget that tree
Na na na na na na, na na na na na na
Na na na na na na

Cant forget it they made me who i am
A king and im still on the scene you gotta love it
All out in public, the people wanna touch it
I need a blunt with the stuffing
Ni**a its nothing for me to tell out
Post up at the house with madden on the screen
And smash on the hommies
Hollywoods nice, now everybody owe me
And them ballas talk sh*t like they know me
Hmm,
Awe foo take your business to school
How to get rich and stay cool
Snoopy D o dub show ya hommie
Even with the critics and the feds all on me
I was tapping all the choneys
Dogg, but my folks call me snoppy
Boss dog ni**a, sue me
Ponytail swinging as i lay in the jacuzzi
Love of my life while im puffing on the ooh wee cuz

Everything Im having but it aint necessities,
Though im grinding keep on shining
What you see aint all of me
Though i keep them hoes, dont love them hoes
The code in which I roll
Its so simple what i need
You know i keep my fam but i cant forget that tree
Na na na na na na I cant forget that tree
Na na na na na na I cant forget that tree
Na na na na na na I cant forget that tree
Na na na na na na, na na na na na na

Snoop dogg in the house tonight
Blowing that laker perp that i know ya like right
Kid cu di my nephew, blaze that sh*t right now
Would ya, would ya right
Snoop dogg in the house tonight
Blowing that laker perp that i know ya like right
