"Tired Of Running"

I'm sittin on my porch watchin the law
As they ride past in they patrol cars
So tell me why I feel like the enemy
They're supposed to be here protectin me
I might have went too far
Helpin' to contribute to makin their job hard
Servin' fiends like these people ain't no kin to
me
I can't believe I'm out here killin my community
If you knew how far I came (far I came)
From where I am and where I used to be (where I used
to be)
I don't want it, you can tell by the look at me
This gangsta life ain't no longer in me

(Hook)

And I'm tired of the runnin', tired of the
runnin'
Tired of the runnin', runnin' from the law
Baby you gotta believe me
Said I'm tired of the runnin', tired of the
runnin'
Tired of the runnin', runnin' from the law
Baby ya gotta believe me

I know there's things I could've changed girl
I know there's things I could've done a lot
better
Instead I'm in the streets tryin to make that
cheddar
Thinkin in my mind that you gon' be there forever
I know I could've let it all go (let it all go)
But I was thinkin it would make life better (make life
better)
Instead I'm sittin in this cell writin this letter
Thought I wouldn't get caught cause I was way too
clever
I learned there's no one to catch ya when ya fallin
And they'll be no one to hear you when you're
callin
Do you know what it's like to wake up in the mornin

While youâ€™re starvin youâ€™re hearin bugs crawlin
Reminiscinâ€™ on them days you was walkinâ€™
With pretty women on your arm while youâ€™re
flossinâ€™
Thankful that I didnâ€™t end up in a coffin
Somethin we see too often

(Hook)

(Bridge)
Said Iâ€™m tiredâ€¦
Said Iâ€™m tiredâ€¦
I said Iâ€™m tiredâ€¦
So tired, yeah

(Hook)
