Ah, check 1, bubba, yeah  
We goin' back to the hip hop shower  
Non stoppin', yeah  
Well, the DJ's use the turn tables like gods  
We're just havin' fun and nobody gets shot  
Now, [Incomprehensible], where's my leading lady?

Now we're movin' forward  
To hip hop and funk  
Snoop and Bootsy is a musical lyric  
Just like you're one strip

Holy, holy, man  
Oh yeah, bubba

A heaven saw all our bitch  
I don't know your name but, uh, I think I wanna kiss  
Yeah, I know you're fine like the wine I drink  
And you may not get a second chance  
To make a first impression  
So take the opportunity

Yeah, I pop these parties like I pop MC's  
I never need a ride 'cause I carry my own keys  
And if you wanna hang with us  
Tell 'em it's all good, baby  
All we do around here is, uh

Play with our toys, [Incomprehensible] wing down  
And get that frown off your face  
Yeah, all we doin' around here is  
Party in the place

Swing down, let me hear you all say  
Party in the place, party in the place  
That's all we do around here, baby

Pull out those ties in his hands  
Party in the place  
You know it's our dance  
Get that frown off your face  
Party in the place, party in the place

I just sippin' on gin and juice  
Tryin' to catch up with Mother Goose  
Yeah, she got that golden egg  
And now she trippin' all in my head

Uh, snoopadelic bubbas
