Up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

They say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

Some do the things that they do cos they dumb
And some do the things that they do for crumbs
I do mine for me ya see?
Not the big homey double O-G

Scared to do your own work, man that's fast
And that's the reason why I had to shoot you down
Because you never should've tried to work my Dogg
And the little homey wouldn't had no reason to bump

Y'all know the game ain't the same no mo'
Lil G's keep heat so big G's freeze, geez
Johnny Rockafella went to jailer
Few many times too many and became a teller

They sell a nigga dreams if he want 'em
But they won't sell you the game to get up on 'em
Ya tryin' to find 'em cause you want 'em, they shook out
Get the book out and when the pitch come, nigga look
out

It ain't hard to pump up the little homies nigga
But it's hard for your bitch ass to get wit us
But it's steel, you put it in their head
That at 13 they better off dead

Up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

They say, up jump tha boogie to the bang bang boogie

While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

Aiyo Snoop, why would niggas get into the bracket
And make a loot, niggas want trip
Spittin' like, 'You spoke beef from the hood'
Show me love nigga or don't show me shit

Feel the fever, million dollar male like Cole Severs
Made a non-believin' man into a believer
Receive a check the next day, my homies say
?It's the way to get paid", DP's and pay

I don't know why you wanna get on my back?
Trippin' 'cause you know the bomb's at where I'm at
Well, if that's the case you shoulda roll
With the PG instead of losing control

This is how we do, Dogg Pound Gangstas in blue
Me, D A Z N A T E and Snoop
Niggas from Seth be tryin' to set you 'cause you settin'
your ways
So ask DJ Pooh what pays

Up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

They say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

Just what we need, bangin' on wax another trip
What you gon' do nigga, jack the mother ship?
You're like a actor wit another script
Predictable as Rambo wit another clip

How many niggas you gon' kill in your verse?
You need to sit down and learn to get down first
'Cause, uhh, real hoo-bangers are toast-slangers
Not part-time FBI singers

Niggas havin' bad intentions, sendin' BG's on a
mission
One move too many, nigga you missin'
Listen you fuck wit the cyco-lic-no
Loony ass nigga from your H double O D

Niggas got too flossy from all the sex they tossin'
But guess what it cost 'em, they crossin' me
But before I give a nigga a 9
I'd rather give a nigga a mic and write him a rhyme

Up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

They say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG

Up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG
