[Master P]

Yo Snoop nigga.

[Snoop Dogg]

What's happenin'?

[Master P]

I think I just seen the dog catcher around.

[Snoop Dogg]

Nigga what?

[Master P]

It go a little somethin like this here.

[Snoop Dogg]

Like this, woof woof.

[Master P]

Like this here, ya heard me?

Chorus

[Master P]

Watcha goin do when we come for you

[Master P/Snoop Dogg]

If you a dog you better not run (Uhhhhh!) x2

[Snoop Dogg]

See I'm tired of being broke, I like to smoke

I love the west coast but I need a vacation bro

I took me a ride down south

I see the dog into bigger and better thing yall know

what I'm talkin bout

The game is to be sold, not to be told

I'm a No Limit soldier and I'm off parole

Nigga, let's put the pieces to the puzzle

Now, every nigga that you hate would hate your cousin

or your brother

Nigga, let's keep it real

Keep your eyes on your enemies cause some niggas

kill

And the bitches, they'll break ya

Keep your dick in your pants nigga, cause they'll play

ya

Keep your dogs in the house

Trill niggas from the street (woof woof) know what I'm

talkin bout

Never bite the hand that feeds you
Cause you never know when your dog might need you

Chorus x4

[Snoop Dogg]

Went from halves to wholes, from wood to marble
floors
Fuckin with hoodrats to top notch hoes
In my Rolls with the sunroof top
I told you hoes that Snoop Dogg won't stop
Tick tock, we got shit locked (say what)
Goddamn it feel good to be sittin on top
So let's toast to the gin and juice and champagne
Welcome to my world and Snoop is the name
Nigga, and pass me the green sticky
We only fuckin with the real nigga, you aint gotta lie to
kick it
Cause we aint picky if you lick it
Or stick it, girl is you down with this quicky
I gotta show to do in Europe and one in Japan
So when you see me on stage Snoop Dogg is the name
Nigga, yeah, that's real, huh
Whatch yall gonna do when we come for you

Chorus x4
