(Snoop)

Ba-da-bing, ba-da-boom  
What a dog gotta do?  
Let me holla at ya boo  
Damn i miss you  
I just wanna kiss you  
And all that good stuff  
Was i really all that bad?  
Or was i good enough?  
I'm under pressure  
I can't run plays like this  
My momma always said  
That there'd  
Be days liike this  
I'm all alone  
By the phone  
In the zone  
Face the storm  
Wonderin  
If you ever comin home  
I try to run the streets  
And play  
But that feelin'  
Just wont go away  
My whole life  
I'll throw away  
To get you back on my team  
Damn  
Why'd you have to go away?

(Chorus:)

I miss ya  
Breakfast in the morning  
Miss ya in the evening  
Tell me why ya leave me  
Please give me a reason  
Nothin could ever change me  
I'm missin my baby  
Please, i'm going crazy  
(Why did you leave me?)  
You can't leave me  
By myself like this

(Oh, oh)  
You can't leave me  
By myself like this  
(Why did you leave me?)  
You can't leave me  
By myself like this  
(Oh, oh)  
Mama told me  
There'd be  
Days like this

(Snoop)  
I get up  
Early in the mornin'  
Miss ya rudeness  
And kissin  
I also miss that smell  
Of that good breakfast  
In the kitchen  
Listen  
I'm a star but i'm wishin  
To follow u wherever u are  
You the wheels to my car  
And i cant roll without you  
My heart is a icebox  
It's cold without you  
Why'd you have  
To leave me this way?  
I'm doing bad  
You don't wanna see me  
This way  
I'm at the pad  
Tryin' to do my best  
I'm so stressed  
And yes  
I'm still  
The king of the west  
Tryin' to manage  
And imma handle it  
I need you  
Back in my life  
Cuz i'm tired  
Of livin' scandalously

(Chorus)

(Snoop)  
Hold my lord  
I'm sittin at the board  
With my head down  
I can't write my next line

I need to lay it down  
(Hmm)  
I'm stuck  
Like a dumptruck  
Lookin' stupid, cupid  
Down on my luck  
I touch  
A four leaf clover  
Hopin for somethin good  
Like i should  
If not  
I guess it's over  
Baby be real with it  
Do you love me?  
Do you miss me?  
Shit  
I can't deal with it

(Chorus 2x)
