Influenced by the dolja

Bringin' the drama like a punk, but your fucking

[Mystikal]

Nigga, all I really wanna do is  
Get down, on the get down!  
That mothafucker better sit down  
We up in this bitch now  
Got the take to make the hap  
We gon' make our money right  
Tired of livin' the stress life  
Pressure, fuck price  
Yikes!  
Know what I like  
Keep it hype!  
Betcha I right  
Put pounds of ice on ya, like white on rice  
Vise grips on mics  
Turnin' to fights  
Burnin' up the limelight  
Fire!  
And you ain't gotta strain your eyes to find us  
Throwin' bad days behind us  
Ahh damn up in the headlights  
Bout to let it shine  
Find your ass in there tip-toeing  
Your ass is mine  
We got you waitin' for us on the radio  
So our albums can drop  
Snoop, Fiend, me, Beats By The Pound, you know that's  
gon' pop  
Jump in the game in the walkway  
With enough money to fuck with  
Till ya hear that last fuckin' woof  
We ain't done yet

[Chorus]

Let me here ya say  
Woof! mothafucker, Woof! mothafucker  
Bow-wow-wow-yippie-yo-yippie-yay (yeah, uh-huh, all

cause I'm tryin'  
to  
blaze up a sack (na, na, na, na, na, na, na, na, na, na)  
To my nigga Mystikal, Fiend, and my big homie Master
