i'm here to pick a bone
wanna see you walk around the house in a thong
leave all kind of messages on your phone
you can â€¦ all day
but none like a ringtone you don't have to pay
did i mention this? the life of snoop dogg's artist â€¦
quite adventurous

yeah, i got time girl if you got time
yeah, i got time girl if you got time
yeah, i got time girl if you got time
would you come home and spend some time?
girl you been running through my mind, running
through my mind
let me â€¦ through your mind, nigger don't you
worryâ€¦and let me know
i've been thinking about you and me, f u c k i n g
i just want sex i don't want marriage
i don't want to push in no baby carriage
i just want your sexy sex, i just want your sexy sex
i just want you for sex
and i don't wanna hold it in the morning that's why i let
you know

talking that talk, walking that walk

you know you look good but you do got if you knew
better
if you knew better you'd be better
â€¦your life, real talk
look how good you look when you walk with me
look how bad you look when you ain't with me
we're meant to be, let go, you know what i'm talkin'
about?
i got time, if you got time i got time
i could squeeze you in and â€¦
you understand, the â€¦ need you,
i just wanna â€¦ little bit of that nasty dance,
so let it go, let it go, let it go.
