I'm not sure of what I see, Cupid don't fuck wit me
Are you telling me this is a sign?
She's looking in my eyes, now, I see no other guys
Are you telling me this is a sign?

Don't think about it, boy, leave her alone
Nigga you ain't no G
She likes my tone, my cologne and the way I roll
You ain't no G

It's legit, you know it's a hit
When The Neptunes and the Doggy Dogg fin to spit
You know he's in tune with the season
Come here baby, tell me, why you leaving?

Tell me if it's weed that you need
If you wanna breathe I got the best weed minus seeds
Ain't nobody tripping, VIP they can't get in
If something go wrong then you know we get to
Crippling

I'm not sure of what I see, Cupid don't fuck wit me
Are you telling me this is a sign?
She's looking in my eyes, now I see no other guys
Are you telling me this is a sign?

Don't think about it, boy, leave her alone
Nigga you ain't no G
She likes my tone, my cologne and the way I roll
You ain't no G

Now, you stepping wit a G from Los Angeles
Where the helicopters got cameras
Just to get a glimpse of our Chucks
And our Khakis and our bouncer cars

You wit you friend right? Yeah
She ain't trying to bring over no men, right? No
Shit, she ain't gotta be in the distance
She could get high all in an instant

I'm not sure of what I see, Cupid don't fuck wit me
Are you telling me this is a sign?
She's looking in my eyes, now I see no other guys
Are you telling me this is a sign?

Don't think about it, boy, leave her alone
Nigga you ain't no G
She likes my tone, my cologne and the way I roll
You ain't no G

Mami, mamasita, have you ever flown on G5s
From London to Abita? You gotta have cake too
You'll have Sunday's with chiquitas
You'll see Venus and Serena in the Wimbledon Arena
And I can take you
(Uncle Charlie, preach)

Nigga, don't be young and foolish
You don't know what you're doing
You don't know what you lost until she's gone
She had a pretty face, drove you wild
But you ain't have that Snoop Doggy Dogg Style

I'm not sure of what I see, Cupid don't fuck wit me
Are you telling me this is a sign?
She's looking in my eyes, now I see no other guys
Are you telling me this is a sign?

Don't think about it, boy, leave her alone
Nigga you ain't no G
She likes my tone, my cologne and the way I roll
You ain't no G, you ain't no G
