This could be the very minute
I'm aware I'm alive
All these places feel like home

With a name I'd never chosen
I can make my first steps
As a child of 25

This is the straw, final straw
In the roof of my mouth as I lie to you
Just because I'm sorry doesn't mean
I didn't enjoy it at the time
You're the only thing that I love
It scares me more every day
On my knees I think clearer

Goodness knows I saw it coming
Or at least I'll claim I did
But in truth I'm lost for words

What have I done? It's too late for that
What have I become? Truth is nothing yet
A simple mistake starts the hardest time
I promise I'll do anything you ask this time
