You cool your bed-warm hands down  
On the broken radiator  
And when you lay them freezing on me  
I mumble, "Can you wake me later?"

But I don't really want you to stop  
And you know it so it doesn't stop you  
And run your hands from my neck to my chest

Crack the shutters open wide  
I wanna bathe you in the light of day  
And just watch you as the rays  
Tangle up around your face and body

I could sit for hours  
Finding new ways to be awed each minute  
'Cause the daylight seems to want you  
Just as much as I want you

It's been minutes, it's been days  
It's been all I will remember  
Happy lost in your hair  
And the cold side of the pillow

Your hills and valleys  
Are mapped by my intrepid fingers  
And in a naked slumber  
I dream all this again

Crack the shutters open wide  
I wanna bathe you in the light of day  
And just watch you as the rays  
Tangle up around your face and body

I could sit for hours  
Finding new ways to be awed each minute  
'Cause the daylight seems to want you  
Just as much as I want you

Crack the shutters open wide  
I wanna bathe you in the light of day  
And just watch you as the rays

Tangle up around your face and body

I could sit for hours  
Finding new ways to be awed each minute  
'Cause the daylight seems to want you  
Just as much as I want you
