I'm good for inspiration, aren't I?  
You will find, well, close the door  
And I'll go anywhere you take me to  
From this bed onto so much more

Care for you, I will

Can I have a picture of you tonight?  
Keep it with me always in my mind

Touch me 'cause I can't move, I can barely breathe  
Speechless, breathless, I can't tell you if I'm here or not  
Running, both legs tied together  
Arms in the air

Care for you, I will

Can I have a picture of you tonight?  
Keep it with me always in my mind

Care for you, I will  
Care for you
