I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried, if I tried

I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried, if I tried, if I tried, if I
tried

I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried, if I tried, if I tried, if I
tried

I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I tried
I could stay away forever if I
