

Snow Patrol "Isolation"

Visit "[Isolation](#)" on MotoLyrics.com

People say we got it made
Don't they know we're so afraid?
Isolation, isolation

We're afraid to be alone
Everybody gotta have a home
Isolation, isolation

Just a boy and a little girl
Trying to change the whole wide world
Isolation, isolation

The world is just a little town
Everybody trying to put us down
Isolation

I don't expect you to understand
After you've caused so much pain
But then again, you're not to blame
You're just a human, you're not to blame

We're afraid of everyone
Afraid of the sun
Isolation, isolation

The sun will never disappear
But the world may not have many years
Isolation, isolation
